

The BaseUp Omokoroa Coastal Challenge fundraiser is back for the 4th year.

This great community event offers a variety of run/walks for all fitness levels.

Now The Plastec's Corporate Challenge is available to corporate teams. So, who will rise to the challenge to raise the most money?

All money raised from the 2018 event will go to Tauranga Community Foodbank and Waihi Beach Surf Life Saving Club. So, get your team to ask friends, family, colleagues and clients to sponsor them.

Go to <https://givealittle.co.nz/cause/omokoroa-coastal-challenge> Click on the Help Fundraise button at the bottom right and set up your GiveALittle fundraising page. This links to our event page.

PRIZES

There's a prize for the team that raises the most money plus all teams go in the draw to win a spot prize.

Benefits to your business:

- ▶ Improve your staff's health and wellbeing
- ▶ Help your staff to bond and support each other
- ▶ Get your business noticed (especially if everyone's in branded t-shirts)
- ▶ Support two amazing local charities!

Pak'nSave – Tauriko

In 2017 Tauriko Pak n Save entered a team of over 20 people. Here's what they had to say ▶

“ Last year Pak'nSave Tauriko saw the Omokoroa Coastal Challenge as a great opportunity for a team challenge as we were looking for an event to contribute to our health and well-being. Everybody thoroughly enjoyed the event and everyone, bar none, exceeded their expectations of what they could achieve. It was so successful, we are looking to get even more team members this year. ”
